## Tellagami

Tellagami is a mobile app that lets you create and share a quick animated video called a **Gami**. A Gami is a fun and creative way to share a 30 second video message. Tellagami can be used with Android or iOS. A Gami allows you to customize a character, choose a background and record your own voice. Use a Gami to introduce a lesson, ask a mental math problem or create a book report. Share you Gami via email, text message, Facebook or Twitter.

*You can create a Gami in 4 easy steps:*

### **Character:**

- Choose a character (male or female)
- Change your character's hair, eye and skin tone
- Choose an outfit to dress your character in style
- Choose a mood (neutral, happy, angry, sad, silly) to give your character personality
- Place the character anywhere on the screen

### **Background:**

- Change the background
- Use one of Tellegami's backgrounds
- Upload one of your photos as the background
- Add a doodle (words or image) by using your finger to draw on the screen

### **Message:**

- Record a 30 second message for your character to say
- Or type something for your character to say and choose a Tellagami voice

### **Share:**

- Text, email, Facebook or Twitter
- Preview your Gami and save to your device
